KENYA INITIATIVES

In 2012, Seven Hills Global Outreach (SHGO) reached out to its Seven Hills Kenyan Diaspora and began forming partnerships with indigenous organizations in and around Nairobi, which support orphans and vulnerable children.

Bethel Outreach Children's Center & School

located in the heart of the largest urban slum in Africa—Nairobi's "Kibera Slum"—provides daycare, preschool, and primary education to over 400 children who are desperately poor, many of whom were orphaned by AIDS or violence.

Children's Garden Home, School & Rescue Centre

is a community-based nonprofit serving orphans, abandoned children, and neglected street children throughout the greater Nairobi region. They provide vocational instruction, safe shelter, and food, along with spiritual and emotional counseling to vulnerable children.

FOCUS Dream Center

Our most recent partner. The Families, Orphans, and Children Under Stress (FOCUS) provides educational, nutritional, and medical programs for orphans in Kenya, in addition to supporting clean water and sanitation improvement efforts.
